Comments and suggestions :- Please include if the talk met your expectations.	1	Very satisfactory
	2	Most of the talks were informative
	3	The workshop was a good overview but could have been in depth for certail important area.
	4	Yes. It met the expectations , more infact it was one of the best decisions to enroll into this workshop.
	5	Was a great jump start start
	6	It was really informative and knowledgable. Looking forward for more such seminars.
	7	There should be a separate session on funding schemes available for the business other than technology and Biotech ventures.
	8	The entire event met my expectations and it was an awesome experience. Congrats!!
	9	Very good.
	10	The talk did meet my expectations. However the time span of the event is less.

	11	Very educative.
	12	Nice
	13	The talk was very good and really important, got to learn many things.
	14	It was quite meeting expectations. Need to focus in future more on realistic case studies.
	15	Given fuel, energy to start on my own
	16	Fundamentals , comcepts are cleared now I am more clear about structures of tax.
	17	Great, thank you all. Please promote events so that many can get benefited.
How do you think can these workshops be improved further?	1	Domain specific
	2	It was worth!!
	3	Inclusion of practical component more would help. Increase time of workshop for this.
	4	Time for some of the session were not sufficient
	5	Choose one or two subjects per four days, also less teamwork and more individual based.
	6	1 hr one to one with Sujata to discuss specific business.
	7	Better takeaways more actionable eg: checklists, ready reckoners.
	8	More interactions
	9	By adding some more contents.
	10	Increasing domain where NCL work
	11	The course is well apt, if anything to be added is taking individual needs and dealing support mechanism.
	12	Kindly conduct more such events.
	13	Provide name plates/I cards
	14	a bit long again, more domain different domain knowledge covered.
	15	Keep it up.
	16	By focusing more on assignments and practicals
	17	Provide examples of problems faced by working startups & how they trouble shooted it.
	18	Formulate more creative group tasks . Maintain groups and continue help online.
	19	Event to be remembered for a long time to come
	20	More videos and Audio; Audio/Speaker
	21	Videos and IP might have added more value
