Anil Khanna

Partner at
Wisdomsmith

Mr. Anil Khanna, Partner at Wisdomsmith, a Mumbai based financial advisory firm will be here at Venture Center on Monday and will interact with the incubatees.

About WisdomSmith: Wisdomsmith advise pharma / healthcare / Lifesciences companies in various ways like strategic consulting, fund raising, products licensing, investor relations etc. They also have our own Healthcare / Lifesciences focussed Angel / Seed investing platform. Under this platform, they intend to identify and make investment in exciting start-ups, through their circle of investors. The key differentiation with their platform is that, their investors are all from the healthcare domain. So these investors, would not only provide financial investment, but also help with domain knowledge or strategic mentoring.
