Section - 3			
Quality of facilities (Venue,etc.)	6.44(4,7)27		
Quality of food and refreshments	6.33(3,7)27		

Comments and suggestions :- Please include if the talk met your expectations.	1	Through this workshop most of my Q's are answered well. It has given a clear idea about proposal writing.
	2	Worskhop was in line with my expectations. However, does VC have any facility to guide fro grant writing one-to onelevel. If the scientist has a story line?
	3	All the talks were very good and have provided a different way of approaching problem.
	4	The talks were relevant as I am working in a Project based co. and I came to know how I have to approach these schemes, if I would like to do something on my own.
	5	The workshop is definitely useful to us and it has met to my expectations
	6	Happy with the workshop.
	7	All talks are very good and different funding agency finances different proposal that I don't know it help me for further research.
	8	Good w/s well organised workshop. It improves a lot of knowledge regarding writing proposals/schemes/writing skills

	9	Attending was very fruitful, it would help me in my future PhD work.
	10	It was good.
	11	Workshop nicely summarized the required content.
	12	It was a good overview.
	13	All the talks were informative.
	14	Quicker view by Pradnya was excellent. Liked it equally like the other lectures by experts; wish to be elaborated more
	15	The sessions were highly inspiring. Hoping to have more interactive sessions with VC as I proceed to put up the proposal.
	16	Excellent workshop which gave an opportunity to interact with scientists who already are experts in their field
How do you think can these workshops be improved further?	1	Case study data of how and why some good proposals fail.
	2	Short proposal writing session by us could be arranged and evaluation which will actually tell us our personal shortcomings in proposal writing.
	3	By focusing on specified topic.
	4	Time management required
	5	This is a great initiative taken by NCL venture. We will highly appreciate conducting similar w/s in near future.
	6	To conduct workshop in still more detail specific to
	7	By organizing detail workshop with detail case studies- 1-
	8	Evaluation of real proposals.
	9	A quick writing of simple example of grant writing
	10	Incld scientists who have obtained grants in pharma
