

Central NMR Facility, NCL & Venture Center presents

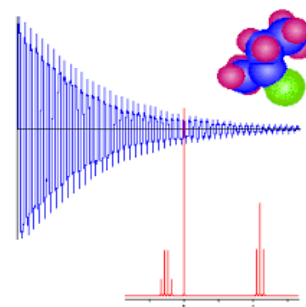

One-Day Intensive Workshop on An Introduction to Practical NMR Spectroscopy

Nuclear Magnetic Resonance (NMR)

Graphics from <http://S112.ibt.uic.edu/~DNNMR/chem3d/>

Saturday, 1 August 2015, 8:30 am – 5:30 pm

Workshop Details

This workshop aims to give an introduction to the Fundamentals of NMR spectroscopy for industry professionals and students. The workshop will be conducted by experts having vast experience working on high end NMR Spectrometers. The workshop includes lab sessions and data interpretation exercises. The workshop shall also discuss some recent trends and new developments in research and industry relating to **NMR spectroscopic techniques**.

For Whom

Open to **Industry professionals** wishing to expand their skill sets from- Pharma, Environmental, Forensic; Food; Agro-chemical, etc ; **Students and staff** of polymer/ materials sciences/ engineering/ physical/ organic/ inorganic/analytical chemistry/ biological & biochemical sciences wishing to equip themselves for industry jobs

Registration fees

Medium and large companies/ others: Rs. 4,000/-
Micro & small enterprises/ individuals: Rs. 2,000/-
Students with valid ID card: Rs. 900/-

Venue Details

Training room, 100 NCL Innovation Park
Central NMR Facility, NCL, Pune
