2019**

# **Hands on Workshop on Cardiopulmonary resuscitation (CPR)**

**Time: 2 pm – 4 pm**

**Venue: Training Room @Venture Center, 100 NCL  
Innovation Park , Pune**

Venture Center and NCL Medical Centre is conducting CPR {Cardio Pulmonary Resuscitation or CPR is a medical technique for reviving someone whose heart has stopped beating} course work titled "**VARDAN...HELP SAVE A LIFE**" for all residents. This will be organized in association with "**Hardas Heart Foundation**".

In this session, Cardiologist Dr. Hardas and his team will demonstrate / give hands on training on 5/6 mannequins (Body for demonstration) for the participants so as to make them understand the process actually.

**Speaker: Dr. Hardas,  
Hardas Heart Foundation**

The workshop is free, but registration is required.
