- The Mechanical testing service is open to all researchers and technology developers. However, priority shall be given to:
 - Proof-of-concept studies aiming to create start-ups
 - Requests from incubatee companies (resident and AIP)
- At this time, Venture Center can only offer this service to a limited number of applicants. In this context, Venture Center retains the right to refuse applications without providing a reason.

TERMS & PRICING

- **GENERAL CONDITIONS:**
 - This service sheet only offers standardized experimental protocols on Mechanical Testing available with Venture Center. The terms and conditions are specifically for these standardized studies. All publications, posters and presentations by researchers using Mechanical testing data from Venture Center are expected to acknowledge use of Venture Center facilities as follows in the acknowledgement section: "Mechanical Testing was performed by _____ at the DBT-BIRAC supported Venture Center at CSIR-NCL, Pune, India"
 - Any analysis involving intellectual inputs relating to design of experiments or new method development etc are treated different from the above mentioned standardized studies. Such collaborative efforts involving Venture Center staff have to be approved by the Venture Center management on a case-to-case basis. The terms of engagement shall be different in these cases. Typically, in these cases, Venture Center requires that all publications, posters and presentations by researchers using Mechanical testing data generated with intellectual contributions from Venture Center staff be acknowledged through co-authorship.
 - Experiments can fail for various reasons. Venture Center shall not be liable for the loss of samples and time in this case.
- **HOW TO APPLY?**
 - Request a discussion meeting with the Lab Manager of Venture Center. Understand what can and cannot be done.
