About Advantage Business Consulting

ADVANTAGE Business Consulting (ABC) is a financial and business consulting firm specializing in a broad array of services with a particular focus on start-ups and SME/emerging businesses.

ABC provides services in:

- Setting up ventures;
- Handling key management functions of finance, taxation, legal and general administration;
- Supporting the entire back end of start-up businesses.

The idea is to allow the promoters to focus on their core technical expertise, while the firm manages all back end operations. ABC takes up specific roles, as required, to assist during new venture set-up or as businesses scale up, or undergo transition.
