About the speaker

Natasha Kothari is a co-founder of 1Crowd (www.1crowd.co), a startup ecosystem with interests in incubation, acceleration, crowd funding and a seed & early stage fund. She has over 7 years of experience in Corporate & Investment Banking with the Royal Bank of Scotland. She has gained valuable experience in financial modelling, rating analysis and structured solutions.

Anil Gudibande is a co-founder of 1Crowd (www.1crowd.co), a startup ecosystem with interests in incubation, acceleration, crowd funding and a seed & early stage fund. He has over 26 years of experience in Banking. He spent 17 years with Citigroup and was most recently with Royal Bank of Scotland - initially as Managing Director & Co-Head of the Investment Bank, and subsequently as Managing Director with the International Banking division where he led a team of bankers covering some of the largest corporate clients. He has also spent a year with AIG Private Equity.

About the talk

Crowd sourcing equity capital is growing in popularity and is fast becoming a very viable source of early stage capital. In recent times several platforms have emerged across the globe, offering a new avenue for startups to seek risk capital. Several models / variations exist, but its important for startups to in general, understand this source. Only then will they be able to make the most of it. The talk will focus on startups that have actually sourced capital from the crowd in India and the experience of the speakers in investing in such startups. We will walk the audience thru' our process, value add, partnership etc., with live case studies.

About 1Crowd

1Crowd is a unique equity crowd funding platform focused on connecting investors with a host of extremely promising Indian start-ups and early stage ventures, with an array of capital solutions and co-investment commitment. 1Crowd will not only help raise capital, but will also provide access to a pool of illustrious mentors and effectual partners who can help nurture the business to its potential. 1Crowd has made investments in 8 startups across different sectors with assets under management of over Rs. 18 crores. In addition 1Crowd runs Inspire! an incubation centre in Bangalore in collaboration with Christ University and a virtual acceleration program. 1Crowd will be launching its seed & early stage fund in short order.
