Mr Vimal Kumar

**Deputy Director – Strategic Business
Development, Global Innovation and
Technology Alliance (GITA)**

About the speaker

Mr Vimal Kumar has proven track record in conceptualising & implementing new business initiatives, having over 10 years of leadership experience across government, public, private & global organisations.

He is responsible for growing and developing GITA's network for assisting global innovative companies to avail innovation/R&D funding supports (Equity/Grant/Loan) accessible through various ministries/departments of Government of India and other country's governments (Multi/Bi-lateral agencies) for their collaborative innovative R&D projects (Basic, Applied & Translational research). He is part of various Governments' Committees on R&D, Innovation, Start-up, Entrepreneurship, Technology, Demonstration and avid speaker at National & International technological Event/Conference /Workshop.

About the talk

Mr Vimal Kumar will talk about various programs and initiatives, Technically & Administratively managed by GITA to support and enable technology and innovation driven enterprises.

About GITA

GITA is a not-for-profit section-8 company jointly promoted by Technology Development Board, Department of Science & Technology, Government of India and Confederation of Indian Industry with a mission to be an effective institutional mechanism for providing end to end services and support for the emergence of an innovation ecosystem with demand pull for industrial innovation and technology start-ups.

About Venture Center

The Venture Center is a technology business incubator specializing in technology startups offering products and services exploiting scientific expertise in the areas of materials, chemicals and biological sciences & engineering. Venture Center strives to nucleate and nurture technology and knowledge-based enterprises by leveraging the scientific and engineering competencies of the institutions in the "Pune region" in India. (www.venturecenter.co.in).
