

BRBC is a resource intensive center set up by BIRAC at Venture Center. Through its diverse initiatives, BRBC aims to significantly impact the translation of high quality innovative ideas across diverse ecosystems into viable and sustainable business enterprises.

### **How to apply**

The first step in your application is very straightforward. Find a vacancy that suits your interests and qualifications. Once you've found a position in the vacancies area you can start filling in your online application right away.

Click 'Apply Online' at the side of the job posting and you will be taken to an application form. Here you can fill in your contact details and information about your highest educational qualification and current profile, and so on. You can also attach your CV.
