

CAMS

CENTER FOR APPLICATIONS OF MASS SPECTROMETRY

www.venturecenter.co.in/cams

Managed by the
BioIncubator at Venture
Center, NCL Innovation
Park, Pune

Resource center to foster
collaboration between
researchers and industrial /
entrepreneurial organizations
leveraging mass spectrometry

-Focus Area-

Biotechnology

Environment

Pharmaceuticals

Clinical diagnostics

Features

- High Resolution Mass Spectrometry
- Specialized services for entrepreneurs and industries
- Workshops and training programs
- Carry out proof-of-concept studies to demonstrate and de-risk technologies/product offerings/ service offerings

Services offered

Proteomics

Metabolomics

Small molecules

Macromolecules

Instrumentation@CAMS

- ❖ Agilent 6540 UHD QTOF MS
- ❖ Agilent 1260 Infinity Binary LC
- ❖ Agilent 1260 Infinity Nanoflow LC
- ❖ HPLC-Chip Cube MS Interface
- ❖ Agilent 7890 GC
