Job Description	
<ul style="list-style-type: none"> • Employment Status: Full Time • Assist in setting-up Bio Lab in Center for Bio-pharma Analysis (CBA) and procurement of reagents and equipment and making the lab functional. • Assist in establishing bioassays for characterizing biosimilars and biotherapeutics such as ADCC, CDC, neutralisation, cell proliferation, cell death, and cytokine release assay. This includes handling relevant equipment such as plate readers, flow cytometer, assays in 384-well microplate format, data analysis and report preparation. • Assist in establishing the lab with GLP standards & Venture Center's EHS policy • Assist in organizing technical workshops with demos & hands on sessions 	
Required Education and Experience	
<ul style="list-style-type: none"> • Degree in life sciences such as biology, biotechnology, pharmacology, immunology, or closely related field • M.Sc/M.Tech with 2-5 years of relevant biopharmaceutical industry experience • Hands-on experience in biotherapeutic assay development including cell culture, cell biology, immunology and readout technologies such as absorbance, florescence, luminescence, HTRF/AlphaLISA, ELISA, Flow Cytometry, handling instruments like Plate Readers, and data analysis softwares such as GraphPad Prism. • Prior work experience in a GLP facility and additional skills in characterization of biotherapeutics using binding assays (ELISA, SPR, etc) and good communication and organizational skills are a plus. 	
Employment Status	Full Time

General requirements and expectations from Venture Center employees:

- | |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <ul style="list-style-type: none">• Venture Center is a non-profit organization with aims to benefit society by promoting entrepreneurs and start-ups. Thus, Venture Center seeks employees and consultants who have a strong interest and passion in seeing technology innovators, entrepreneurs and start-ups succeed, and have a strong "service" ethos. |
| <ul style="list-style-type: none">• A strong feature of Venture Center jobs is the rich learning environment and opportunity provided to employees to experiment, take initiative and be creative. The work of most employees has visible impact which can be satisfying. All employees benefit from access to high quality facilities and work environments. Compensation packages can be flexible but are often conservative due to Venture Center's non-profit status. Employees enjoy access to benefits of NCL Staff Recreation Club. |
| <ul style="list-style-type: none">• General requirements include: a) strong ethical standards and work ethics, b) comfort with computers, computer applications and internet, c) strong communication skills – spoken and written. |
| <ul style="list-style-type: none">• Venture Center's working hours are 9 AM – 6.00 PM (Monday to Saturday) and are designed to keep operations of Venture Center convenient for the start-ups, entrepreneurs, inventors and others that the organization serves. Managers in certain functions are provided the opportunity to avail of flexible hours. All jobs are located at Pune, Maharashtra, India. |
