About NSE - EMERGE

The National Stock Exchange (NSE) is India's leading stock exchange covering various cities and towns across the country. The Exchange has brought about unparalleled transparency, speed, efficiency, safety and market integrity. NSE has played catalytic role in reforming the Indian securities market and in its continuous endeavour to serve the industry, it has introduced a listing platform for the SMEs in the country, EMERGE.

EMERGE-ITP is a regulated market place which meets the needs of the country's contemporary business environment. It allows start-ups to list without an initial public offering (IPO). The platform connects growing businesses to a pool of sophisticated investors while offering a wide variety of exciting investment opportunities to the investors.

About the talk

The talk would broadly cover

- Introduction to NSE-SME platform
- IPOs on EMERGE
- Value for SMEs and consultant
- SME EMERGE and ITP listing criteria and listing process

About Venture Center

The Venture Center is a technology business incubator specializing in technology startups offering products and services exploiting scientific expertise in the areas of materials, chemicals and biological sciences & engineering. Venture Center strives to nucleate and nurture technology and knowledge-based enterprises by leveraging the scientific and engineering competencies of the institutions in the "Pune region" in India.
