

Students Internship Program at VC from 23 to 26 July 2019

A team of 15 students will be at Venture Center from 23 to 26 July 2019 for an internship program. They will be seating in E-Classroom.

BIRAC had requested us to arrange a 4-5 days internship program for few BE(Biotech) students selected during Student Outreach Program (SOP) BioPharma-2019 to familiarize them with the Incubation Center models across the country. These students are visiting three incubators Riidl, SINE and Venture Center.
