

# Venture Center

Govt supported incubator at National Chemical Laboratory Campus

Attention:

## Technology Entrepreneurs

If you are an entrepreneur with a start-up (or a business plan) that leverages science (especially, biological, material and chemical sciences) needing **lab** space/services, then Venture Center can help you succeed.

We offer services, resources, funding support, advice and networks.

Enjoy benefits of incubation at a DST approved incubator in CSIR-NCL campus including eligibility to receive **seed funding**.

Venture Center, 100 NCL Innovation Park, Pashan Rd
