

- Enabling science start-ups to conduct proof-of-concept and prototype development
- Sophisticated instruments
- Trained personnel
- Time based or sample based access to analytical equipment

MP-AES PSA HPLC MPR **Services Offered** GC RT-PCR DSC
UV-Vis MS TGA

Time based

- High Performance Liquid Chromatograph (HPLC)
- Gas Chromatograph (GC)
- Optical Microscope & Image capture system
- Real Time Polymerase Chain Reaction (RT-PCR)
- Micro plate reader
- UV-Vis Spectrophotometer (UV-Vis)

Sample based

- Thermogravimetric Analysis (TGA)
- Differential Scanning Calorimetry (DSC)
- Particle Size Analysis (PSA)
- Elemental Analysis by Microwave Plasma - Atomic Emission Spectrometer (MP-AES)
- Mass Spectrometry (MS)

Lab Timings

Mon-Sat, 9:00 am -9:00 pm

Closed on Sunday and public holidays

Venture Center, 100 NCL Innovation Park

Dr. Homi Bhabha Road, Pune – 411008

Phone: 020-25865875, 258865877

Email: lab@venturecenter.co.in | cams@venturecenter.co.in (for Mass Spectrometry)
