Venture Center – India’s Largest Scientific Business Incubator

Learn how to handle rejection, work hard, and function outside of your comfort zone. Success will be yours

- Gonzo Arzuaga

Startups with CSIR-NCL roots

VIVIRA is a process engineering startup with an innovative technology for the treatment of effluent streams.

Services and resources for startups

Tinkering Lab is the playground for innovators making and testing prototypes. It features design, 3D printing, electronics and optics capabilities.

Contributions to National Missions

Venture Center’s incubatee companies such as Swayam Shikshan Prayog and Villagineer promote grass root entrepreneurship by women entrepreneurs and rural entrepreneurs respectively.

DID YOU KNOW? Venture Center actively supports and promotes women entrepreneurs - 31% of incubatees are women.
