## Venture Center – India's Largest Scientific Business Incubator

**Success seems to be connected with action.  
Successful people keep moving. They make mistakes, but they don't quit  
- Conrad Hilton**

### Startups with CSIR-NCL roots

Orthocrafts is a biomedical products company with a focus on synthetic biodegradable, polymeric materials.

### Services and resources for startups

The Centre for Applications of Mass Spectrometry provides high quality mass spectrometry services to startups, large industry and researchers.

### Contributions to National Missions

Make in India

Of the 25 sectors under the Make in India initiative, our incubatee companies are contributing to 11: Aviation, Biotech, Chemicals, Defence Mfg., Electronic System Design and Mfg., Food Processing, Oil and Gas, Pharmaceuticals, Roads, Renewable Energy, Textiles and Wellness.

**DID YOU KNOW?** 90-95% of incubatee companies are developing products and are prospective manufacturing companies.
