| S. No. | Topic | Page |
|-------------------|--|-------------|
| | Executive summary | 2 |
| | Table of Contents | |
| A | Product scan Summary observation and recommendations | 5 |
| B | Applications scan Summary observations and recommendations | 8 |
| C | Patent scan Summary observations and recommendations | 15 |
| APPENDICES | | |
| A1 | Table of producers of copper nanoparticles <ul style="list-style-type: none"> • Producers of copper nanoparticle powders/suspension/colloids/slurries known on the internet as of Nov 2011 • Producers of copper nanoparticle based value added product forms known on the internet as of Nov 2011 | 19 |
| A2 | Selected product data sheets | 32 |
| A3 | Compilation of extracts with market and industry information and trade news | 34 |
| | Relevant US patents | |
| A4 | <ul style="list-style-type: none"> • List of granted US patents on processes to make copper nanoparticles and compositions • List of granted US patents on applications of copper nanoparticles | 52 |
| A5 | Technology development and commercialization – Success stories | 69 |
| A6 | Potential licensors/strategic investors: List of Indian manufacturers of copper powder | 71 |
