|-------------------------|
| Table of Content |
|-------------------------|

| S. No. | Topic | Page |
|---------------|--|-------------|
| | Executive summary | 2 |
| | Table of Contents | 4 |
| | List of Figures | 5 |
| | List of Tables | 6 |
| 1. | About the report | 7 |
| | SECTION A: Survey | |
| 2. | Introduction to Polylactic acid | 9 |
| 3. | PLLA – Compilation of market data | 13 |
| 4. | PLLA production, manufacturers, grades and compounders | 17 |
| 5. | End- products based on PLLA | 31 |
| | SECTION B: Analysis and recommendations | |
| 6. | Value proposition of PLLA | 44 |
| 7. | Product development and commercialization strategy for different markets | 46 |
| | APPENDICES | |
| A1 | List of granted US patents relating to PLLA biomedical products (along with links to full text documents) | 50 |
| A2 | List of granted US patents relating to PLLA packaging and other products (along with links to full text documents) | 111 |
