

One day Workshop on
**Thermal Analysis –
DSC, TGA & DMA**
(Emphasis on Polymeric Materials)

Wednesday, 7 August 2019 | Time: 0900-1700
Training room @ Venture Center, 100 NCL Innovation Park

Highlights of the workshop

- Overview of thermal analysis techniques and applications (emphasis on polymers)
- Principle of operation of & Instrumentation of DSC, TGA & DMA
- Interactive session – Case studies and applications of DSC, TGA & DMA
- Practical session – sample preparation, setting up an experiment and run a sample
- Interpretation of results

Who should attend

- Industry professionals wishing to expand their skill sets.
- Students and staff of polymer/ materials sciences/ engineering/ analytical/physical chemistry wishing to equip themselves for industry jobs

Course faculty

- Dr. (Mrs.) Neelima Bulakh (Scientist, CSIR- NCL, Pune)
Neelima Bulakh is Ph.D in Material Science and having 30 years of research experience in the field of polymers.

Registration details

Register here: <http://bit.ly/7aug19-TAws>
Registration closes once 20 seats are full or 1 August 2019 (whichever comes sooner)
Maximum 20 seats; First-come-first-serve.
