Venture Center Cafeteria (Was it appropriate, clean & comfortable?)	6.7(6,7)8				
Overall satisfaction with event organization	6.8(6,7)7				

Section 2 – Comments and Suggestions

1) What did you enjoy the most?
Practical Sessions
Entire Course (experiments)
The presentations and lab work were very good. Dr.Hemant is a very good teacher with a well designed workshop.
Arrangement, content of course and pace was good. Session was interactive and helpful.
All lecture & Hands On Sessions - Interactions, well knowledge on data analysis
Workshop structure
Lecture sessions, lab sessions & Data analysis
Content of workshop, the way of teaching, practical Sessions.
2) Please suggest a topic on which you wish to have a workshop on
NMR, XPS, XRD, TEM, AFM.
DNA sequencing; genomics related workshops.
Mass spec
3) How did you hear about the workshop?
NCL Mail
PhD students
From other pathologists
Email & Venture Center website
Venture E mail
supervisor- Dr Prabhune
Friends who did workshop earlier
From senior
